

President's Corner

Dear Friend,

In January 2005, the non profit organization, Claudy's House was created with one goal in mind, to provide a loving Christian living environment for developmentally challenged adults where independent living, personal growth and dignity become reality. This was the vision of Claudette Marie Bryant, devoted Christian, faithful wife, dedicated mother, and extraordinary school teacher. She was also the mother and chief advocate for a child with Downs Syndrome. Like all parents of children with special needs, Claudette dreamed that one day her son would have the opportunity to live in a home which would help him to live a productive and meaningful adult life. However, in 2004, tragedy ended Claudette's life, making her unable to make her dream a reality. In her memory, her family, friends and concerned community partners honor the dream that she had for her developmentally challenged son Aaron, by beginning Claudy's House. In its short existence, Claudy's House has accomplished several milestones. To date, the organization has Earned it's 501(c)3 statusElected an Executive Board and Advisory CommitteeCreated a 3 year strategic plan and budgetCreated a significant pool of volunteers and community supportersRaised \$115,000 dollars in funding support

Despite our development, there is much left to do which is why I am requesting your support. You have visited this website because you are interested in supporting such a worthy mission, your financial and prayer support can assist us tremendously in making this dream become a reality.
